Important Announcement

Since the Guild has become a Charitable Incorporated Organisation (CIO) we have had to amend, revise and restructure many of our procedures. This change to a CIO, secures the Guild's 'Accredited Museum' status and is an essential requirement for future grant applications.

As part of these revisions there has been a redefinition of the terms of our insurance. Previously, when a lace group has run an event, they benefitted from Guild insurance for their cover. Since moving to CIO status, The Lace Guild insurance policy still covers Lace Guild events and members, however, events organised by non-members and visitors are no longer able to benefit from LG insurance cover.

From now on this will require individual lace groups to organise their own insurance.

There are lots of sources of information online about insurance cover suitable for charities, for example, <https://www.policybee.co.uk/charity-insurance>
