LACE GUILD TRIENNIAL COMPETITION 2028 THEME

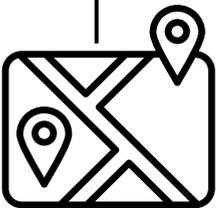

Legends

In our 2028 triennial competition, which will be themed 'Legends,' we invite lacemakers to explore a broad tapestry of interpretations. Whether drawing from the legendary figures of mythology and folklore, mapping out the 'legends' of cartography and exploration and even code making and breaking, or maybe a piece honouring personal heroes from the realms of sport, art, and beyond, we encourage you to bring forth these inspirations into your lace.

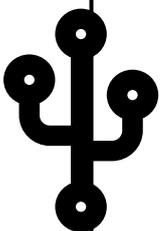

Let your work tell stories of legendary journeys, iconic figures, and the timeless craft of lacemaking itself.
